

QHSE Policy

Al Moghera Petroleum Chemical Industries LLC is wholly committed to the prevention of environmental pollution, natural resource depletion and to protect environment at large. Al Moghera Petroleum Chemical Industries LLC conducts its operations in a manner that is protective of the environment and Waste minimization. Environmental aspects of the Company's activities, products and services are periodically assessed and objectives and targets are established for reducing adverse impacts to the environment.

We are committed to protect the health & safety our employees, the public and other interested party from accidents, injuries or occupational illness. As such, Al Moghera Petroleum Chemical Industries LLC is committed to achieving and maintaining compliance with applicable legal and EHS requirements as per AD EHS regulatory authority.

The protection of employee health and safety is a value of the company and is the responsibility of each employee. Employees are responsible to conduct their activities in accordance with the safest possible work practices and in a manner that is protective of their own safety and that of their co-workers. Established Company rules and procedures shall be followed and a proper attitude toward accident and injury prevention shall be maintained. Managers and supervisors are accountable for the safety of their employees.

Al Moghera Petroleum Chemical Industries LLC ensures its employees know and understand how to use appropriate equipment, tools, procedures and personal protective equipment and have the requisite training to assist them in performing their jobs safely. Al Moghera Petroleum Chemical Industries LLC reviews its practices, procedures and EHS management systems and implements the necessary actions to maintain and improve the health and safety of its employees.

We ensure the EHS policy is periodically reviewed for suitability, adequacy and effectiveness of the EHS management system and continual improvement.
